Social Justice Ministry Summer Conversations

This summer, all are invited to attend one or more in a series of Summer Conversations hosted by the Social Justice Ministry. These facilitated discussions, each based on a short reading, will help us examine how our faith is affected and informed by pertinent events and topics.

Summer Conversations are held from 9:00 a.m. to 9:45 a.m. (preceding 10:00 a.m. worship) in Room 100. The remaining two sessions will be this coming Sunday, July 16 and August 20. Childcare will be provided. Please send ages of children needing childcare to Betty Boyd (4eboyd@bellsouth.net).

Our July 16 discussion will be based on PCUSA's "Social Creed for the 21st Century" - examining why and how the church has used its voice and built structures for economic, racial, women's, and environmental justice; and how the Social Creed can help address new challenges to Christian social witness in the 21st Century.

Those interested in joining the discussion are asked to read all or part of the first 12 pages of the Social Creed, if possible, before July 16. (Hard copies are available in the CPC office.) In addition, [it can be found at this link.](#)

Time to Teach, Lead, and Love

Beginning in September, you are invited to teach our beautiful preschoolers, be a shepherd/guide for elementary children, or be a workshop-rotation teacher for a Sunday or two. You may help with either the cooking, video, science, art, drama, or computer workshops for one of the units.

Check out the chart in the Narthex, or [access it at this link](#).

Please also contact Medora if you have a suggestion for, or would consider leading, a one-day or short-term study for the new "Faith Today" adult Sunday School class that's being organized. Watch for more news about this class and other changes to adult Sunday School class offerings this fall.

Going to Guatemala

We are filling up! With 5 attendees, we have 2 scholarship spots left, and a partial scholarship also available thanks to an anonymous giver who is providing funds toward the trip so another person might go too! (So far we have all females. Where are the men?)

The main focus of this trip will be the implementation of the new Scholarship for School program and witnessing the building project's progress. There is always the importance of interacting with the people, and observing so that we can identify needs and ways to respond. Contact [Medora Hix](#) for more information or to indicate serious interest soon

Scholarship Program for Nimasac, Guatemala Students is Underway

Esperanza Guatemala Missions is seeking sponsors for scholarships in two levels for the 2018 school year (Guatemala school years last from

January to October).

Because of the poverty level of the people of Nimasac, obtaining a scholarship (or beca as it is called in Spanish) is the only way all students in Nimasac can receive more than an elementary education. One level is for a student to attend one of two highly qualified schools in Quetzaltenango who can offer an excellent education. These schools are not inexpensive but the opportunities are priceless. All becas would include registration fees, some uniforms, tuition, books and supplies, transportation, and extra-curricular activity costs. The entire cost of sponsoring a student in 2018 to one of these schools is \$850-900.

Sponsorships can be through an individual, family, or a group, or several individuals may share a sponsorship. Our plan is to offer four of these top-notch scholarships: two to boys and two to girls. Because girls ordinarily do not go on to middle school (and currently some do not finish elementary), we have set up the program to ensure their participation. An additional requirement is that one of the four students be selected by the Nimasac elementary principals, and not be a member of the church. As of this date, we have commitments for two of the four: one by a church member couple, and another by a covenant group.

Additionally, we would like to offer the chance to attend middle school to a few more of the youth of Nimasac. We plan to offer several more scholarships to attend the middle school in Chajabal, which is a 45-minute walk away. The government school there is very basic, but education is happening. This sponsorship will cost \$275. We have three commitments for these. The expectation is that these will be offered for the entire three years of middle school. Scholarship payments can be made in three segments, with the first one due on or before October 1. All scholarships are tax deductible. A scholarship committee has been set up. Please contact Carol Payne, Ellen Govert, Kevin Steidinger or staff member [Medora Hix](#) for more information.

Hurricane Matthew Relief Update

Many of those affected by Hurricane Matthew are still without permanent housing and you can help. Our next trip to work on these houses will be Saturday, August 19 as we travel to Tarboro and Princeville. We welcome all adults and youth ages 14 and older, and no experience is required.

This is our backyard and these are our neighbors - please join us to continue this vital work. If you have any questions, please contact Sally Goettel at sgoettel@nc.rr.com.

RoadRunner Email Issue

If you have had RoadRunner as your email service provider and have not been receiving communications from CPC, there has been a problem

with the church email provider sending to RoadRunner accounts.

At present, it seems to be a problem on RoadRunner's end, and we are currently in communication with them about finding a resolution to the problem.
