The meeting opened with prayer.

Each committee member shared their thoughts about our MIFs reviews. We reviewed MIFs from small, medium and large churches throughout the US. The team has a strong desire to use the wealth of information on the CPC website and reference the calendar as a way of getting to know us beyond the MIF.

Matthew reported no emails/information has been received from the website.

The team worked on the Narrative Questions 1-3 of the MIF. The team decide to use the CPC Mission statement and the transition document as the basis for the response.
