

CPC PNC

5/7/19

6:30 -8:30 pm

PNC Members Present: Jeanne Bolick, Louis Lambe (by phone), David Bohm, Matthew Simmons, Sherry Bradsher and Linda Oglesby

Jeanne opened the meeting with a devotion and prayer. As is our practice during the PIF discernment phase, the team lit its candle.

Jean and Louis reported on their meeting with Ted. The purpose of the meeting was to seek advice and answers to questions that the team had posed during its previous meeting. Ted was able to answer the team's questions and made useful suggestions for our discernments of PIFs.

PIFs are continuing to come in. Matthew continues to upload all PIFs for the team to review. Most of the meeting was spent in prayerful conversation and discernment reviewing PIFs.

Two future meeting dates were decided. The team will meet 5/13 and 5/28 at 6:30. Sherry will do devotion at the next meeting and Linda will bring a snack.

Matthew closed the meeting with prayer around 8:35 pm.
