

Cary Presbyterian Church Pastor Nominating Committee
Report to Session
September 3, 2019

Our team continues to work diligently and prayerfully, meeting every one to two weeks. We communicate via group texts and emails during the time between meetings. We are committed to reviewing each of the 100+ PIFs, as we continue to receive both self-referred and computer-matched PIFs.

We have conducted five initial interviews via SKYPE and FaceTime. Four more initial interviews are scheduled later this month. After we finish these initial interviews, we will schedule second interviews. We have decided not to stop the flow of PIFs from the Church Leadership Connection and will consider each new PIF even when we progress to second interviews.

Our seven members work together well, respecting each other's different perspectives. We never lose sight of the fact that each PIF represents the life and calling of a dedicated Presbyterian pastor. Our team considers this sacred work. We begin each meeting with the lighting of a candle, a devotion and prayer, and we conclude each meeting with prayer.

In Christ's Name,
Emma Anderson, David Bohm, Jeanne Bolick, Sherry Bradsher, Louis Lambe, Linda Oglesby, and
